

Trivia Tuesdays Official Rules

- Teams can have no more than 6 participants and each team must designate a captain.
- ALL participants must be 21 years of age or older and have a Player Rewards Club card. Membership in the club is complimentary and participants just need a valid government issued id to sign up.
- Registration is from 6:00pm-6:55pm with trivia starting at 7:00pm. Teams will be capped based on occupancy/space so entrants will be first come, first serve.
- Show is divided in to 2 Acts. Each Act contains 3 Scenes and each Scene contains 3 questions. The 2 Acts will be separated by the Intermission Bonus Game and the show will conclude with a 25 point Grand Finale.
- Your team is given 1-9 points to wager. You can only use each point value once.
- Additional points *may* be added for downloading the Casino Arizona/Talking Stick Resort app and/or checking in at the location via social media.
- Weekly prizes will be: 1st place - \$500, 2nd place - \$300, 3rd place - \$200. Other prizes may be added weekly at the discretion of management.
- The first place team each week will advance to the quarterly Trivia Tournament of Champions.
 - Once your team has won first and advanced to the Tournament of Champions, your team cannot win first place again for that quarter. You are eligible to win 2nd or 3rd place multiple times.
 - If there is a tie for any place, the prizes will be added together and split equally. Example, if there is a tie for 1st place, we will add 1st and 2nd place together and each team will split the money ($\$500 + \$300 = \$800/2 = \400 for each team). If there is a tie for first, both teams will move on to the Tournament of Champions.
 - Tournament of Champions prizes will be: 1st place - \$1,500, 2nd place - \$700, 3rd place - \$300. There will also be 10 random (individual) names drawn and each winner will receive \$100, for a total prize amount of \$3,500 for the Tournament of Champions each quarter.
- Any team that has a Casino Arizona/Talking Stick Resort employee on the team will not be able to win prizes. You may play trivia but the whole team will be unable to win.
- There will be buckets in the middle of each table for phones, smart watches, tablets, etc. **Every player must have their phone/device in the bucket, or in a place that is not visible at all times.** If you wish to use your phone you must step outside the game area. You cannot return until the next question.
 - If you are caught or suspected of cheating (*this includes just having your phone on the table*), 25 points will be deducted from your score for the first violation and your team will be disqualified for the second violation.
